

Washington School-Based Health Alliance

2025 Student Health Summit

Cultivating Community

Strengthening collective power for student health and wellness.

Presented by **Wellpoint**

November 7, 2025

9:00 am – 3:00 pm

Breakfast & Registration at 8:15 am

Bellingham, WA

Western Washington University

Free Parking – Hotel Block Available

Join us for a full-day conference dedicated to advancing the impact of school-based health centers (SBHCs) and supporting the health and well-being of youth across our communities. **Up to 4.25 CE credits available.**

This event is designed for SBHC staff, administrators, advocates, supporters, and students and youth who are committed to creating healthier school environments and building strong, sustainable health services.

Focus Area 1: Creating the Whole Child Health Environment

Explore strategies and best practices for student-centered care that supports physical, mental, and emotional well-being.

Behavioral Health — Physical Health — Clinical — Best Practices — Dental

Focus Area 2: Navigating Landscapes: Legal & Advocacy

Gain insights into the legal frameworks and advocacy tools that influence SBHC operations, health policy, and adolescent physical/behavioral health.

Advocacy — Partnerships — Marketing — Behavioral Health

Focus Area 3: Planting Seeds: Youth & Community Engagement

Discover innovative approaches to engaging youth and building meaningful partnerships with families and communities.

Engagement — Youth Voice — Partnerships — Behavioral Health

Focus Area 4: Growing SBHC Capacity

Learn about best practices and models to strengthen and expand the reach of school-based health.

Operations — Engagement — Innovation — Behavioral Health — Sustainability

Pricing
