## Informed Decision Making in Men's Health Learning Collaborative Application

Start

Complete

This eight-month learning collaborative, running from September 2026 to April 2027, is designed to provide participants with technical assistance and practical tools to strengthen how they support men and their families in making informed decisions about prostate and sexual health. This opportunity is limited to 10-12 organizations in Baltimore, Detroit, Houston, Los Angeles, and New York City and will include a \$12,500 stipend.

For questions regarding the application, please contact Meaghan Angers, [angersm@mwhs1.com](mailto:angersm@mwhs1.com).
