Your Starting Point

Day 0 snapshot | Community Health Center Inc.

Why we ask. So you and I can see what changes over the next 90 days. Estimates are fine. This is not a test, and there are no right answers.

Name: _____ Site: _____ Date: _____

Question	My answer
About what percent of my routine notes do I finish the same day?	
About how many minutes a day do I chart after clinic hours?	
About how many minutes does a routine note take me?	
My wellbeing at work right now (1 to 5)	
My confidence using eCW efficiently (1 to 5)	
How I use Sunoh and Dragon today (never, sometimes, often)	
About how many minutes does a prior authorization take me?	

In my own words

What takes longer than it should in my day:

What I most hope to get from this training:
